**DEPARTMENT OF COMMUNICATION DISORDERS**

**Admission Process**

Admission to the undergraduate major in Communication Disorders (CDIS) is competitive and selective. The academic sequence begins during the fall semester. Enrollment is limited by student/faculty ratios in both academic and clinical components of the program.

1. To be considered for admission to the pre-professional sequence:
  - Completion of a minimum of 50 hours of General Education coursework with a minimum GPA of 2.75. The following courses must be included in the GPA calculation:

BIO 1421	Modern Biology II	
BIO 2430	Human Physiology and Anatomy	
CDIS 1331	Introduction to Communication Disorders	
ENG 1310	College Writing I	
ENG 1320	College Writing II	
FCD 2351	Child Development	
HP 3302	Statistics for the Health Professional	
MATH 1315	College Algebra	
PHYS 1110	Elementary Physics Laboratory	
PHYS 1310	Elementary Physics	

- Submit a completed CDIS application form and Texas State transcript to the Chair of the Department of Communication Disorders through the faculty academic advisor. The faculty academic advisor will be assigned during the first advising session.
  - New transfer students must submit a Texas State evaluated transcript and Texas State letter of acceptance to the undergraduate Academic Advisor in CDIS.
  - Student selection is made on academic performance and not on the basis of race, color, religion, gender, age, or national origin.
  - The CDIS application deadline is April 15.
2. The progression requirements for CDIS courses are as follows:
    - Courses must be taken in sequence identified in the catalog.
    - Must make no less than a “C” in a prerequisite course before the next course is taken.
    - Make no less than a “C” in support courses.
    - Have a GPA of 2.75 in the major in order to graduate.

If additional information is needed, please contact the College of Health Professions Academic Advising Center at 245-3506 or the Department of Communication Disorders at 245-2330.
